

Resume Structure Overview

Summarized by AI - August 30, 2025

Generated by @Hitesh Nangrani

A **resume** is structured to include various sections that highlight a candidate's qualifications and experiences:

- 1. **Profile** containing personal details and desired job title.
- 2. **Education** detailing academic achievements and completion dates.
- 3. **Work Experience** outlining previous positions, employers, and employment periods.
- 4. **Skills** emphasizing proficiency and years of experience.
- 5. **Certifications** and **Links** to provide additional credentials and references.
